Champagne Check & Selfie Sprint

A lighthearted exhibition class celebrating both equestrian skill and spirited camaraderie. Two-three riders at a time will gallop to a designated checkpoint mid-course where they will dismount to enjoy a (modest) glass of champagne or non-alcoholic sparkling beverage, then snap a quick selfie with their horse before remounting and racing to the finish. Creativity is encouraged in photo execution, though equine cooperation is not guaranteed. Cheers to style, speed, and a steady seat. Show management reserves the right to determine how many riders will be paired together at one time.

Lead line**-** Our youngest riders take center stage,led at a walk by a handler. Judged on turnout, confidence, and charm. Open to riders 8 years and younger.

Working Hunter Pairs O/F- Two horses judged over fences as a pair. Judged on manners, performance, hunting soundness, and suitability. Riders are expected to execute the course as closely as possible. Different jump heights at a fence are allowed. Fences heights cross rail, 2'0" and 2' 6". The O. DeGray Vanderbilt Trophy was retired in 1978 and reinstated as a perpetual trophy in 1988 by Patricia M. Hall and Lela E. Steele.

$1200 Jumper "Gambler's Choice" - All jumps will be assigned points, and this information will be posted at least 2 hours before the start of this class. Riders will choose their own route with their own choice of jumps and heights. Points will be awarded for each jump cleared within the time allowed. The allotted time will be posted at least 2 hours before the start of the class. Jumps may be taken from either direction, but only once each way.

If there is a jumping disobedience (run-out, refusal, circle when attempting, knock-down) there will be no points awarded This jump may NOT be attempted again. ** A whistle will be blown when the time is up, and the rider may attempt to jump the "Joker". This will be a jump over 3' and it can add 200 points to the score, or 200 points deducted from the score if it is not completed successfully. *It does not have to be attempted*.
